

Sponsorship Letter

On behalf of the Organizing and Program Committee of **The 7th International Conference on the Physics of Optical Material and Devices – ICOM2024** we are pleased to inform you that our Conference (www.icomonline.org) will be held next year in Montenegro from 26th – 30th August 2024 as a joint event with **The 4th International Conference on Phosphor Thermometry – ICPT2024**.

Your company can become a sponsor of the ICOM2024 conference if you choose one of the sponsorship packages available. In this way, you can promote and support this scientific meeting to a large audience of foreign scientists and experts. Please review the document below and consider joining us for this valuable opportunity to participate in discussions with international science leaders.

In addition, ICOM 2024 is an excellent opportunity to position your company name in front of key market leaders who are very interested in your products. Please feel free to contact us at your convenience using the details below to discuss some of the affordable sponsorship opportunities listed on the next page.

Previous sixth conferences hosted more than 300 world-renowned scientists and various exhibitors from all over the world. ICOM conference has established itself among renowned professors and researchers in the field of optical materials and devices, as well as managers and experts in a variety of industrial and technical fields related to optical materials. The goal of the ICOM 2024 Conference is to bring together scientists and technology users who are researching or developing materials for optical applications. The conference discusses the state of the art in preparation methods, optical characterization and use of optical materials and devices in various photonic fields.

We look forward to seeing you!

Sincerely,

Prof. Dr Miroslav Dramićanin, conference chairperson
President of the Society for Scientific Development of Serbia
